

Gyanshankar Pd Singh | Computer Engineering Student & Open Source Leader

Khagaria, Bihar, India - 851203

+91 8210313115 • gyanshankar1708@gmail.com • in gyanshankar1708

Professional Summary

Results-oriented Computer Engineering undergraduate with a proven track record in open-source leadership. ****Ranked Top 10 Project Admin**** globally at GSSOC'25, demonstrating exceptional capability in managing large-scale codebases and mentoring 100+ developers. Proficient in Java, C, and Web Technologies, combining strong technical acumen with the soft skills necessary to resolve conflicts and drive community collaboration.

Technical & Professional Skills

- **Languages & Web:** Java (Core), C, Python, HTML5, CSS3, JavaScript (Basic)
- **Tools & Platforms:** Git, GitHub, VS Code, Gen AI Studio, Linux Environments
- **Soft Skills:** Leadership, Conflict Resolution, Team Mentorship, Open Source Governance, Agile Collaboration
- **Core Competencies:** Pull Request Management, Code Review, Debugging, Responsive Web Design

Experience

Hacktoberfest

Project Maintainer & Contributor

Remote

Oct 2025 – Nov 2025

- **Project Maintainer:** Orchestrated the maintenance of the "GrowCraft" repository, successfully reviewing and merging **100+ pull requests** to ensure codebase stability and standard compliance.
- **Contributor:** Engineered 7 critical feature updates across various external repositories, optimizing existing code logic and enhancing documentation.

GirlScript Summer of Code (GSSOC)

Project Admin & Contributor

Remote

May 2024 – Oct 2025

- **Project Admin (July 2025 – Oct 2025):** Spearheaded project administration for a production-level application. Achieved a **Top 10 ranking** (out of 532 admins) by accelerating project velocity.
- **Impact:** Managed a high-volume workflow, merging **500+ pull requests** and resolving **500+ issues** while providing technical guidance to a diverse community of contributors.
- **Contributor (May 2024 – Aug 2024):** Diagnosed and resolved critical bugs, demonstrating strong root-cause analysis skills and adherence to open-source best practices.

Open Source Connect India (OSCI)

Open Source Contributor

Remote

Aug 2025 – Sept 2025

- Secured **80 points** in a competitive 15-day sprint by identifying vulnerabilities and implementing robust fixes across multiple repositories.
- Collaborated with senior maintainers to streamline deployment workflows and improve code readability.

Indian Society for Technical Education (HIT SC)

Technical Team Member

Haldia, West Bengal

Feb 2024 – Present

- **Technical Operations:** Coordinated technical workshops and coding events, fostering a culture of peer learning among 200+ students.
- **Media Management:** Directed event documentation and media coverage, ensuring high-quality visual assets for society branding.

Education

Haldia Institute of Technology

Bachelor of Technology in Computer Engineering

West Bengal

Sept 2023 – July 2027

Bridgeford School

Intermediate, Science

April 2021 – March 2023

Certifications

- **Responsive Web Design** – freeCodeCamp
- **AI Foundations Associate** – IBM
- **Introduction to Gen AI Studio** – Google Cloud
- **Java (Basic) & CSS (Basic)** – HackerRank
